AIT Extension
Executive Education & Professional Development Services

MESSAGE
From Executive Director

Dear Partners, Business Leaders, and Friends,

We would like to share our gratitude and honor for your continuous supports and trusts given to AIT Extension recently. Despite the unpleasant business conditions caused by the COVID-19 pandemic, AIT Extension has strived and pivoted executive education knowledge products and offers to develop leaders and change managers for public, non-governmental and corporate sectors. In the light of AIT's mission, AIT Extension continues to strengthen its learning ecosystem to fulfill the needs and requirement of client organizations. We join hands with value partners and donor agencies to be innovative in designing and developing professional development and life-long learning programs that are possible for organizations in Asia and Pacific Region.

We value your feedback and are always ready to respond to your needs and requirement to excel in our executive education and advisory services. With cutting-edge learning technology and methodologies, AIT Extension pays the utmost attention to the impact and exit skills of professionals and learners participating in its programmatic activities.

We strongly believe in co-creation and a customer-centric approach to develop global leaders and strengthen organizations' capacity. Alongside our current service initiatives, we join global communities to develop human resource acumens and strategies to achieve SDGs goals in 2025.

We look forward to working with you.

Mr. Voravate Chonlasin
Executive Director
